

Pediatric Critical Care Learning Sessions

In A Tight Spot: How We "Aorta" Manage A Sick Baby

October 18 at 1 pm

Learning Objectives:

- Discuss the differential diagnosis of a sick neonate.
- Review resources available to support the care of critically ill children, with specific consideration of rural and remote teams.
- Discuss the resuscitation of an unstable neonate in the context of a likely diagnosis of coarctation.

- ABOUT THE PCCL SESSIONS -

WHEN: 3rd Friday of every month
1:00 to 2:00 pm via Zoom

WHAT: A de-identified case presented by providers from a range of communities across BC

HOW: The PICU team at BCCH will facilitate the interactive discussion
