

# Provincial Emergency Patient Discharge Quality Improvement Series

Join Emergency Care BC for a discussion with provincial partners about improving the discharge process for emergency patients.

This forum provides a collaborative space to share successful patient discharge practices, initiatives, innovations, and research that may be replicated in your region. Each session will include a featured speaker, followed by a moderated discussion period.

We warmly welcome everyone interested in improving emergency and patient care to attend.

## UPCOMING SPEAKERS AND TOPICS

(Check [emergencycarebc.ca](http://emergencycarebc.ca) for latest details)

**June 19, 2024, 2:00 - 3:00 pm**

*Bringing It Home: What we have learned so far and where to go next*  
- ECBC team

We will take a summer break in July & August and resume the dialogue in September 2024.

Contact [ecbc@phsa.ca](mailto:ecbc@phsa.ca) to register and receive a link to the virtual event.
