

ED Patient Discharge Sheets - Fast Track

Scan the QR code(s) circled below by your physician/nurse for more information on diagnosis, symptoms, at-home care and recommended follow-up instructions.

To scan a QR code: Open the camera app on your mobile phone, centre the QR code you want to scan, hold your phone steady and tap the notification that pops up to open the link.

You can view the document directly on your phone or click on the “Email Or Text this Resource To” button to send it as an email or text message and save it for future reference.
