

Patient Information Resources

Scan the QR code below to access ECBC's patient information resource library for information about your diagnosis, symptoms, at-home care and recommended follow-up.

To scan a QR code

- Open the camera app on your mobile phone
- Centre the QR code you want to scan
- Hold your phone steady
- Tap the notification that pops up to open the link

QR code not working? Visit the ECBC website:

https://emergencycarebc.ca/resource_type/patient-information-sheet/

The information in the patient information resource sheets is intended solely for the person to whom it was given by the health care team. This information does not replace the advice given to you by your health care provider.
