

Curriculum Framework

STEP 1

Complete a Self-Assessment using the **Provincial ED LPN Competencies** document

STEP 2

Review the **ED LPN Competency Passport** and use it to capture your skill-based competency self-assessment:

- Sign off competencies that you have previously completed
- Add any additional self-identified skill-based competency gaps and opportunities

STEP 3

Complete the employer-specific “**Additional Education**” requirements and other Health Authority learning mandatory for ED Nurses (e.g. Cultural Safety, Trauma informed Care).

STEP 4

Complete the **ECLIP Orientation Modules** online course

STEP 5

Attend the **Classroom-Based Learning** sessions

STEP 6

Complete a preceptorship or mentorship rotation
(Optional: Individual needs-based and/or Health Authority-Specific)

STEP 7

Repeat self-assessment using the **Provincial ED LPN Competencies** document and connect with mentor, educator or other leader in the ED to help evaluate competency development and ongoing learning needs
